£15 per order.

Extra copies just  
£6, if ordered with  
original order.

Minimum charge  
£42.

**Note:** all film is professionally cleaned, inspected and if required, repaired before transfer at no extra cost.

## Hard drive camcorders, mobile phones, media cards

Videos from your hard drive camcorder, digital still camera, mobile phone or from any type of multimedia card can be transferred to DVD.

**£30 first hour**, additional hours at £9 per hour.

## Slides, photographs and negatives to DVD

Images are shown for approximately 10 seconds and dissolve from one image to the next.

Slides/photos/negs to DVD **55p** each.

Background music (per order) £15.

Personal titles (up to 15 words) £5 each.

Additional copies £6.00.

Minimum charge £42.

A disc containing the jpeg files we have created from your original images is supplied free with all orders. The disc is designed to act as a backup but can also be used for sharing your images with friends and family.

## Audio transfers to CD or MP3

Transfer from: audio cassette; open reel audio; vinyl record; mini disc; dictaphone and DAT.

From **£24**.

**Note:** we transfer your audio material to computer then process the sound removing distortions often found with old recordings.

## Tape repair

Video and audio tape repair **£15**.

**Note:** we do not recommend the use of a spliced tape as it can cause damage to your machine. Once repaired, it is advisable to have your tape transferred.

## DVD, CD and Blu-ray duplication

We can offer a same day duplication service. Full colour disc printing is available as well as a large range of packaging options.

Please ask for further information or to see samples of recent projects.

Opening hours: Monday-Friday 09:00-18:00; Saturday 09:00-12:00

All prices include VAT. Terms and conditions apply. Prices correct at June 2013, but are subject to change.
